## Attending a GIA Campus Outside the U.S.

To enroll in a program or Lab class at a GIA location outside the U.S., contact the respective campus directly.

Programs and Lab classes offered at international campuses may vary from those offered in the U.S. and as described in this catalog. GIA programs and Lab classes available in the U.S. may not be offered at other campus locations.

To enroll in Distance Education courses where materials are written in English, submit your application to GIA Carlsbad or you can enroll online at [www.gia.edu](http://www.gia.edu)

For information on Distance Education course where materials are written in any other language, contact the respective GIA campus.

Contact information for GIA campuses can be found on the GIA website at [www.gia.edu](http://www.gia.edu)
