Attending a GIA Campus Outside the U.S.

To enroll in a program or Lab class at a GIA location outside the U.S., contact the respective campus directly.

Programs and Lab classes offered at international campuses may vary from those offered in the U.S. and as described in this catalog. GIA programs and Lab classes available in the U.S. may not be offered at other campus locations.

To enroll in Distance Education courses where materials are written in English, submit your application to GIA Carlsbad. To enroll in a Distance Education course where materials are written in any other language, contact the respective GIA international campus.

Contact information for all GIA campuses can be found at www.gia.edu

Schedules are subject to change without notice. For a current schedule, visit www.gia.edu
