not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please contact GIA’s Career Services Department at careerservices@gia.edu.

STUDENT'S RIGHT TO CANCEL

eLearning Courses

Cancellations and Refunds

I understand that I may cancel my enrollment at any time before the End Date listed on page 1 of the Enrollment Agreement by notifying the Supervisor or Manager of Admissions in writing; by mail or in person at The Robert Mouawad Campus, 5345 Armada Drive, Mailstop #3, Carlsbad, CA 92008, by email at admissions@gia.edu, or by fax at (760) 603-4003. The cancellation date is the date I sent my written cancellation notice to GIA.

I have the right to cancel the agreement and receive a full refund before the first lesson and materials are received.

REFUND POLICY

Refunds for eLearning courses are based on a pro-rata percentage of the number of assignments submitted for grading prior to the End Date of the course.

If my enrollment is cancelled:

- Within 7 days after accepting this enrollment agreement OR before submitting my first course assignment, whichever is later - GIA does not retain any tuition.
- After submitting my first course assignment and before submitting more than 60% of the required course assignments - GIA retains a pro rata portion of the tuition.
- After submitting more than 60% of the required course assignments OR after exceeding the course completion time limit - GIA retains 100% of the tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund. Optional books and materials, including applicable sales tax and shipping and handling expenses, are non-refundable.

Students will receive a full refund of all monies paid if the class is cancelled by GIA. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be made to the original remitter within 30 calendar days of the cancellation date. If I receive federal student financial aid funds, I may be entitled to a refund of any moneys not paid from federal student financial aid program funds to the institution.

If I obtain a loan to pay for an educational program, I will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If I default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against me, including garnishing my income tax refund; and (2) I may not be eligible for any other government financial assistance at another institution until the loan is repaid.

The following statement is required per California Ed. Code §94919: The institution shall also provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Institutions shall refund 100 percent of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

GIA does not collect application fees.

Sample refund calculation: A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and then withdrew prior to the end date of the course. GIA retains \$200 (Tuition Used), calculated as follows: Total Price = \$500; Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments); Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments); Refund = \$300 (Total Price - Tuition Used)
