**2018 SCHOOL PERFORMANCE FACT SHEET
GRADUATE GEMOLOGIST - ON CAMPUS
Program Length is 26 Instructional Weeks
Calendar Years 2016 and 2017**

The following information is provided to all prospective students for the purpose of supporting informed educational choices. As required by the California Private Postsecondary Education Act of 2009, Section 94910, schools approved by the Bureau must provide course/program completion rates, placement rates, licensure exam passage rates, and salary/wage information.

This School Performance Fact Sheet consists of six (6) pages. The student must initial and date each page. The final page requires the student's full signature, full name, and date. The document will be signed and dated by the School Representative, and a copy of the entire document is saved in the student's My GIA Student Center.

The Standard Occupational Classification (SOC) code for this program is 51.9071.

COST OF THIS EDUCATIONAL PROGRAM:

Graduate Gemologist (Program Length is 26 instructional weeks)

The Total Charges for this program for students completing on-time in 2017 were \$23,467.80. Total Charges may be higher for students that do not complete on-time.

DEFINITIONS:

- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who, beginning within six months after a student completes the applicable educational program, are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Salary” is as reported by graduate or graduate’s employer.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please contact GIA’s Career Services Department at careerservices@gia.edu.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student or prospective student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to: Bureau for Private Postsecondary Education, P.O. STUDENT'S RIGHT TO CANCEL

California On-Campus Courses and Programs

Cancellations and Refunds

I understand that I may cancel my enrollment at any time before the End Date listed on page 1 of the Enrollment Agreement by notifying the Supervisor or Manager of Admissions in writing; by mail or in person at The Robert Mouawad Campus, 5345 Armada Drive, Mailstop #3, Carlsbad, CA 92008, by email at admissions@gia.edu, or by fax at (760) 603-4003. The cancellation date is the date GIA receives my official notice of cancellation or my last day of attendance, whichever is later.

REFUND POLICY

If my enrollment is cancelled:

- Within 7 days of my acceptance of the Enrollment Agreement or before the end of the first class day, whichever is later, GIA does not retain any charges.
- After the first scheduled day of class and up through 60% of the scheduled instructional hours, GIA retains a pro rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund. Optional books and materials, including applicable sales tax and shipping and handling expenses, are non-refundable.

Students will receive a full refund of all monies paid if the class is cancelled by GIA. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be made to the original remitter within 30 calendar days of the cancellation date. If I receive federal student financial aid funds, I may be entitled to a refund of any moneys not paid from federal student financial aid program funds to the institution.

If I obtain a loan to pay for an educational program, I will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If I default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against me, including garnishing my income tax refund; and (2) I may not be eligible for any other government financial assistance at another institution until the loan is repaid.

The following statement is required per California Ed. Code §94919: The institution shall also provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Institutions shall refund 100 percent of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

GIA does not collect application fees.
