GIA's continuing education offerings are considered avocational or recreational in nature and are not intended to prepare individuals for entry-level employment. They are non-credit bearing and do not lead to a GIA academic credential. They are not eligible for state or federal student financial aid programs and do not fall under the approval of the Accrediting Commission of Career Schools and Colleges (ACCSC) or the Distance Education Accrediting Commission (DEAC).

(N) = Night (S) = Saturday (Su) = Sunday (H) = Course includes both on-campus and self-paced study

ATTENTION: Due to changing conditions caused by the COVID-19 pandemic, GIA reserves the right to reschedule or cancel classes without notice – Please contact campuses to confirm the class dates. Unless otherwise noted, all classes are held at GIA® facilities at the address shown on page 6.

eLEARNING COURSES

- To enroll in English-language eLearning courses, visit [GIA.edu/gem-education/distance/admissions](https://gia.edu/gem-education/distance/admissions)
- To enroll in an eLearning or correspondence course in a language other than English, please contact the GIA campus that offers the course.
- Try out a complimentary lesson from each elearning course at [GIA.edu/try-elearning](https://gia.edu/try-elearning)

STUDENT WORKROOM

GIA Student Workrooms give you access to all the equipment and gemstones you need to complete the practical requirements of your Gem Identification course through GIA Distance Education. This self-study room is also available if you need to prepare for your 20-stone final exam, take a proctored exam, or simply practice on equipment and gemstones. Please contact the campus directly to schedule a workroom. For information and availability of student workrooms please visit [GIA.edu/gem-education/student-workroom](https://gia.edu/gem-education/student-workroom)
