STUDENT WORKROOM
GIA Student Workrooms give you access to all the equipment and gemstones you need to complete the practical requirements of your Gem Identification course through GIA Distance Education. This self-study room is also available if you need to prepare for your 20-stone final exam, take a proctored exam, or simply practice on equipment and gemstones. Please contact the campus directly to schedule a workroom. For information and availability of student workrooms please visit GIA.edu/gem-education/student-workroom

eLEARNING COURSES
- To enroll in English-language eLearning courses, visit GIA.edu/gem-education/distance/admissions
- To enroll in an eLearning or correspondence course in a language other than English, please contact the GIA campus that offers the course.
