* Prevalent tax is applicable. GST is applicable at 18% from July 1st, 2017. Any change in statutory taxes/duty will be borne by the applicant. GIA India reserves the right to collect these.

** **Total Charges** include tuition, books, materials, and applicable tax. Total charges for lab classes, accelerated programmes, and continuing education are due with the application.

*** **First Payment** for On Campus programmes, first payment is due with the application includes a portion of the tuition

**** **Final Payment** for On Campus programmes, final payment is due 20 days before the class begins

You will not be able to reserve space in any GIA programme or class until the application, all required documents, and payment is received.

Total Charges Do Not Include:

- Housing, food, insurance, transportation, entertainment and other living expenses
- Fees for lost or damaged equipment, precious metals and stones
- Bank transfer fees that the student incurs
- Fees for replacement or optional books and materials
- Comprehensive CAD/CAM for Jewelry: Students are not required to do work at home, however it is strongly recommended that students have access to a computer that meets the minimum requirements on [See Technology Recommendations](#). The estimated cost is approximately INR 116,500 excluding any applicable shipping, handling, and tax (subject to change).

Additional Fees May Include:

- INR 1,500 half day or INR 3,000 full day for the use of Student Workroom, plus applicable taxes
- INR 3,500 diploma replacement fee
- INR 3,000 certificate replacement fee
- Academic transcripts may be purchased centrally from the Carlsbad campus for 10 U.S. dollars each.
- Transportation fee for optional field trips
