* Total charges do not include optional textbooks or technology for offsite use. See ["Additional Program Costs" on page 36](#)

** Estimated costs may vary and exclude shipping, handling and applicable taxes.

Payment Due Dates

Payment amounts and due dates are as follows. After registration, specific due dates and amounts are listed in your account statement available in the My GIA Education Portal.

Lab Classes. Total charges, including tuition, books and materials fees and sales tax, are due at the time of registration.

On Campus Programs. A deposit of \$2,500 is due at the time of registration to hold your seat in class. The remaining balance is due before the first day of class (Total Charges - Deposit of \$2,500).

For students using Veterans Administration Education Benefits, tuition and fee payments will be waived for up to 90 days from the date that GIA certifies the student's enrollment following receipt of a certificate of eligibility or a valid VAF 28-1905.

Past Due Account Balance

Students who have a past due account balance will have disrupted service. Students will not be able to access courses in Blackboard, may not register into future courses or programs and will not receive their credential until they have settled the payment(s) owed.

Additional Program Costs

Optional Printed Textbooks - Gemology

All gemology course curriculum is accessible online in the Blackboard learning management system. Students can access and download PDF versions of textbooks through the end date specified in their enrollment agreement. Printed versions of these textbooks are optional and may be purchased through the My GIA Education Portal any time after registration. They can be shipped to your home prior to your arrival or delivered to directly to the campus save on shipping costs.

Jewelry Design & Technology - Required Technology

Prior to the first day of class, students are required to have access to a computer that meets the requirements specified on [page 22](#) to complete their homework. The estimated average cost to purchase this computer is \$1,800 excluding shipping, handling and tax. GIA does not sell computers.

Comprehensive CAD/CAM for Jewelry - Recommended Technology

Students are not required to do work at home, however it is strongly recommended that they have access to a computer that meets the requirements listed on [page 24](#). The estimated average cost to purchase this computer is \$1,800 excluding shipping, handling and tax. GIA does not sell computers.
