## PEARL REPORTS

GIA Pearl Reports provide information on the identity of pearls (natural or cultured), the mollusk (when determinable) they originated from and the environment they formed in (saltwater or freshwater), and also state whether the pearls have undergone treatment, as well as providing classification information based on the GIA 7 Pearl Value Factors, depending on the service type chosen.

### PEARL IDENTIFICATION REPORTS

Details the quantity, weight, size, shape, color, overtone, identity, mollusk (when determinable), environment and any detectable treatments. Report includes a digital image.

## PEARL REPORTS

### PEARL IDENTIFICATION & CLASSIFICATION REPORT

Includes all Identification Report information as well as classifications for luster, surface, and matching (if applicable). Report includes a digital image.

For Cultured Pearls Only      Add additional 10% on quoted applicable fee under Pearl Identification Reports.

### CULTURED PEARL CLASSIFICATION REPORT

Includes a detailed classification of cultured pearl(s) based on the GIA 7 Pearl Value Factors (*size, shape, color, luster, surface, nacre and matching*) as well as a digital image of the submitted item(s). Submitted known cultured pearls (Akoya, South Sea and Tahitian pearls) can be mounted, loose or strung. Maximum of 10 related loose pearls per report. Classification Report Only. No tests for identification or treatment. Not applicable for random testing.

	Fee	Additional Strands
Loose and mounted (one item of jewelry or layout i.e. necklace, pair of earrings, etc.)	R620	50% of service fee per strand
Single strand or layout (up to 25 inches)	775	
Single strand or layout (>25 inches)	930	
Jewelry Suite (Maximum 2 items per report. Example: a pair of earrings and necklace). Must be same species and matching in quality in terms of grade.	930	

The following services may apply to Pearl Identification Report or Pearl Identification & Classification Report requests. GIA will contact you prior to proceeding with these services and fees.

### RANDOM SAMPLE

Report issued on a small sample of pearls from the same item. Only applicable for items where it is not possible to test all pearls. Pricing varies, a quote will be provided after evaluation.

Minimum Fee      R3,875

### CT ANALYSIS

Examination of the internal structure of loose pearls in cases where additional information to the standard real-time microradiography testing proves inconclusive. Strands and necklaces only.

Minimum fee in addition to report fee      R31,000

### MIXED PEARLS SEPARATION

Necklaces or strands where standard identification testing shows there is a mix (20% or more of a different "type") of natural and cultured pearls or untreated and treated pearls (specifically modified color) and where the client chooses to separate the pearls rather than opt for a more generically worded report (i.e. stating "contains cultured pearls" or "mixture", etc.). The pearls will be returned loose when necessary.

Minimum fee in addition to report fee      50% of the original report fee

## ADD-ON SERVICES

GIA Add-On Services must accompany a Report Service or Follow-Up Service unless otherwise indicated.

### EXPRESS SERVICE

Expedite turnaround service time to 48 hours. Certain services or large submissions may require a longer turnaround service time. Contact your Client Services Representative for details.

Based on availability      R5,425

or 100% of the service fee (whichever is lower)

### NACRE THICKNESS MEASUREMENT

A comment regarding the calculation of average nacre thickness will be shown in the comments section of the report. Bead cultured pearls only.

Fee per pearl      R235

Fee per strand      1,165

## FOLLOW-UP SERVICES

GIA Follow-Up Services verify, re-evaluate or update results from your original GIA Report. The original report must accompany all Follow-Up Service requests.

### REPORT CONVERSION

Convert your current Pearl Identification Report to a Pearl Identification & Classification Report and vice versa.

Within 60 days of original report service      R775

### UPDATE / RECHECK

Full re-evaluation of your pearl's original report results and a new report will be issued. The old report will not be returned. Update or recheck only available for reports issued within the last five years.

Within one year of original report      50% of report fee

One to five years of original report      75% of report fee
